

# DUCHESS + ALICE

(DUCHESS)

It's Wonderland, my pet.

(*Launching the scene from the Book:*)

Now, now.

This Little Piggie just could not stay home.

All grown up, are you?

ALICE

Not *all*, my Duchess.

DUCHESS

Not what I hear.

ALICE

From whom?

DUCHESS

From *you*—

wallowing through the afternoon,  
trailing bunny tails and doing shrooms?!

ALICE

But—

DUCHESS

Were.

ALICE

They—

DUCHESS

I can see it in your eyes, Pig.

I can smell it in your hair.

ALICE

But the Caterpillars said—

DUCHESS

Blaming insects, dear?

**START**

ALICE

Ouch!

DUCHESS

Rule 42—you know it, dear—

you so: "Oh I know it all by heart!" —  
and I quote: "You have no right to grow here."

ALICE

But I can't help it. I'm growing!

*(The DUCHESS spans ALICE's bottom.)*

DUCHESS

Can!

*(The DUCHESS catches ALICE, spans her again with the truncheon.)*

ALICE

Really, I'm too old for this.

DUCHESS

Exactly!

*(The DUCHESS spans ALICE again.)*

ALICE

Then, shall I never get any older than I am?

DUCHESS

Wretched Pig—  
grew yourself such breasts and hips, ♣  
my lovelies sagged, just watching them. ♣

You ripped the plumpy from my butt ♣  
and left me fat and flatulent!

CURVES

You broke my heart,  
you selfish tart,  
and now my day's just fart fart fart!
