

AHS Performing Arts: A Vision for the Future

The faculty of the Anderson High School Performing Arts Departments (Vocal Arts, Band, Orchestra, and Theatre & Film), are once again embarking on a major push to improve our teaching and performance spaces. We strongly believe that these shared spaces should reflect the quality of our performances and the degree of excellence our students achieve.

In 2022, the generosity of many alumni and parent supporters combined to give us a fresh and modern look to the lobby of our beloved Titus Auditorium, one that honors our rich history, thanks our patrons, and recognizes the current students who share their tremendous talents with us year after year. Now we are moving our focus to the various classroom spaces we use every day. Technical and facility improvements are needed for every Department, and we need you—parents, alumni, community partners, and patrons of the arts—to help us make this vision a reality. Help us bring our teaching spaces into the modern age.

Our goal for the Spring of 2024 is to raise **\$25,000**. There are three ways you can support this goal:

• **DONATION:** We welcome Donations at any level, and top-tier Donors will be honored on our Donor Wall of Fame, proudly displayed with bronze, silver, and gold musical notes to celebrate their level of support:

Bronze Donor: \$250 - \$499 • Silver Donor: \$500 - \$2,499 • Gold Donor: \$2,500 and above

• **TITUS SEAT PLATES:** Make your mark on Titus Auditorium for years to come. Each bronzed seat plate will be etched with the text you provide, and installed on the armrest of a seat in Titus Auditorium. (Specific seat locations within the auditorium are available on a first come, first served basis.) **NOTE: For 2024, the seat plate sale ends on April 29!**

Seat Plate Purchase: \$250 each

• **COMBINATION DONATION/SEAT PLATE PURCHASE:** Our strongest supporters may **add** a seat plate purchase to their donation, which allows their seat plates to access prime locations in the front section of the auditorium. Donations must be given at the time of seat plate purchase in order to access these specialty donor rows.

Use this QR code to visit our website, where you can find out more and to donate or order seat plates online (a convenience fee will be added for online transactions): www.andersontheatre.com/performingarts

If you wish to pay via check, fill out the information below and make your check out to “Anderson High School – Performing Arts Fund”. Forms and checks can be mailed to: **Anderson High School – Performing Arts Fund, 7560 Forest Road, Cincinnati, OH 45255.**
