ALICE:
So little left, and still you gave me that.
You changed the page.

ALFRED:
A parting gift. [MUSIC GO]

ALFRED: (cont'd) (from the book)
"Don't let them know he loved her best,
For this must ever be
A secret kept from all the rest,
Between yourself and me."

ALFRED:
I can't tell you what it's meant,
to come here once again - to run
here once again.

(In a pool of light, **YOUNG ALFRED** appears
and addresses the older **ALICE**.)

YOUNG ALFRED:
I hope you will remember how it was...?
