The Curious Incident of the Dog in the Night-Time

February 13, 14 & 15, 2026

Based on the novel by Mark Haddon, *The Curious Case of the Dog in the Night-Time* follows Christopher, a unique 15-year-old whose extraordinary brain means he is exceptional at mathematics but ill-equipped to interpret everyday life. Finding himself under suspicion in the death of a neighbor's dog, Christopher is determined to solve the mystery and clear his name. His detective work takes him on a thrilling journey that upturns his world. *The Curious Incident of the Dog in the Night-Time* won the 2013 Tony Award for Best Play and is a thoughtful, funny, and poignant story that audiences will not want to miss.
